## ABOUT ME

I am an IT undergraduate at SLIIT with an interest in web development and software engineering. I enjoy building practical applications and improving websites using modern technologies. I also have experience in SEO, where I worked on optimizing content and improving website performance. I am always eager to learn, grow my skills, and gain real-world experience in a professional environment.

## EDUCATION

2010 - 2014 **BACHELOR OF SCIENCE (HONORS) IN INFORMATION TECHNOLOGY - UNDERGRADUATE**

Sri Lanka Institute of Information Technology (SLIIT)  
2023 - Present

2014 - 2016 **GCE A/L IN PHYSICAL SCIENCE STREAM**

B/Kuda Kusum Balika National School  
2017 - 2020

## WORK EXPERIENCE

2025 - Present **OCTO GLOBAL (PVT) LTD | SEO INTERN**

Assisted in developing and managing websites using HTML templates and WordPress. Supported domain setup, DNS configuration, and Cloudflare integration. Performed on-page SEO tasks including keyword optimization and meta updates. Wrote and published SEO-friendly news content. Improved website performance through image optimization and basic speed enhancements. Tested websites for responsiveness, functionality, and security. Used tools like Google Search Console and PageSpeed Insights for monitoring.

## PROJECTS

### Diving Website (CSS)

Responsive website focused on layout design and styling

### Link Shortener Website (JavaScript)

Web application for generating and managing shortened links

## COCOS Store Website (HTML)
